

LAUNCHING OVER THE HARD 1.4.09 - 31.3.10.

By agreement with the Town Council, the Harbour Commissioners now manage the Hard, Boat Park, Floating Jetty and the implementation of the Council's Compulsory Vessel Registration Scheme.

The Scheme requires the owner of each vessel launching over the Hard to complete a registration form and to display a sticker indicating compliance.

Enquiries regarding launching fees and registration should be made at the Harbour Office or Hard Master's Kiosk.

All administrative matters previously dealt with at the Council Offices are now dealt with at the Harbour Office. This includes applications for Boat Park spaces.

Charges for 2009-10 season are set out below. This notice also shows the figure for Harbour Dues which are charged per household on vessels using Harbour Waters.
