The Internship

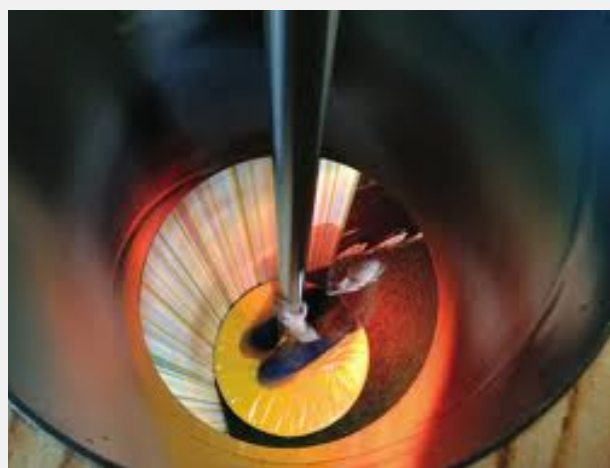

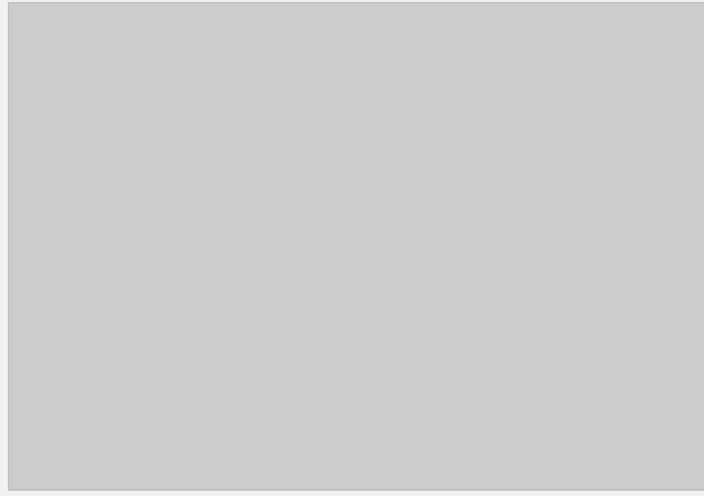

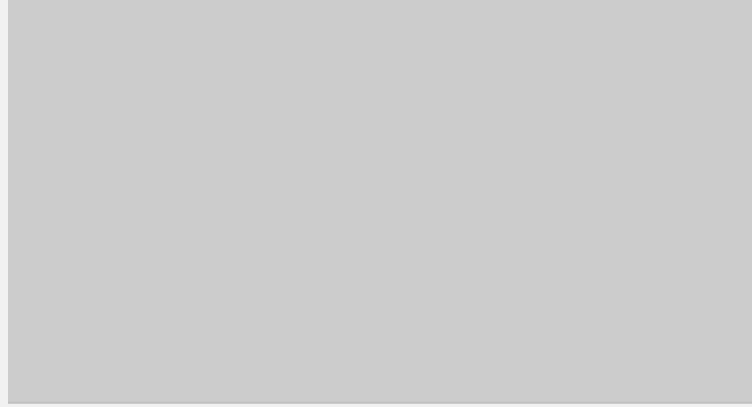

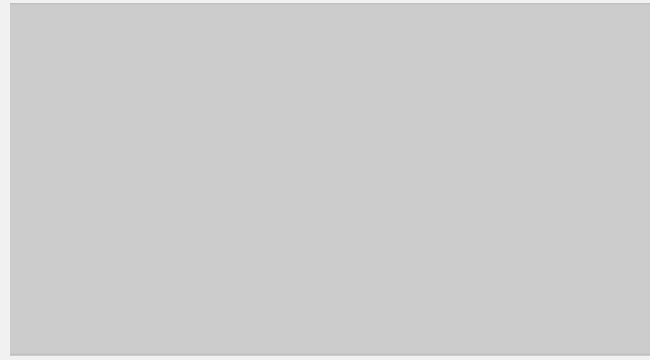

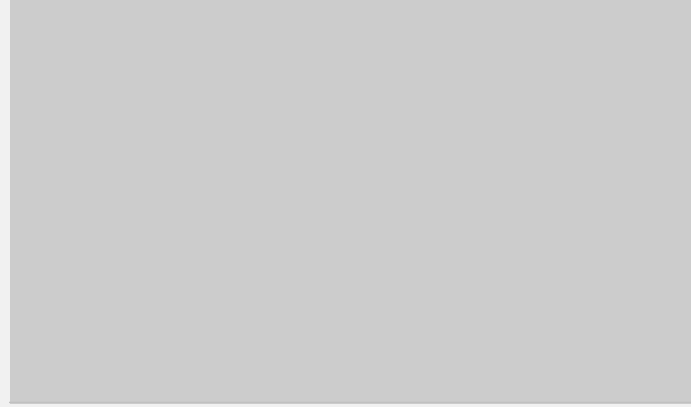

Google No. 1 workplace

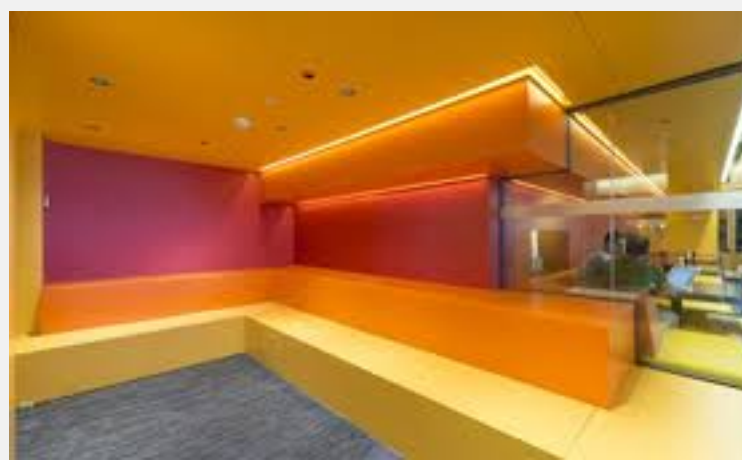

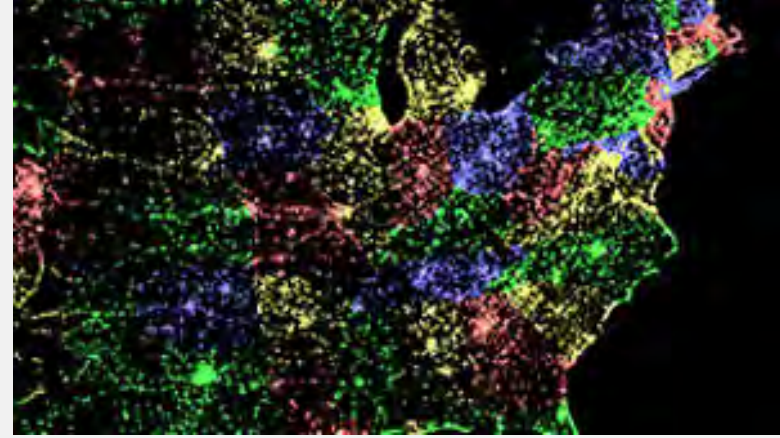

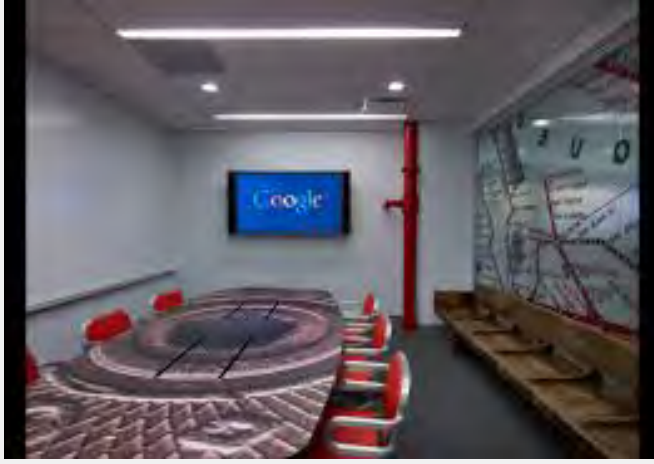

Google is consistently ranked as the most innovative and best place to work in the world. Here are some of the reasons why:

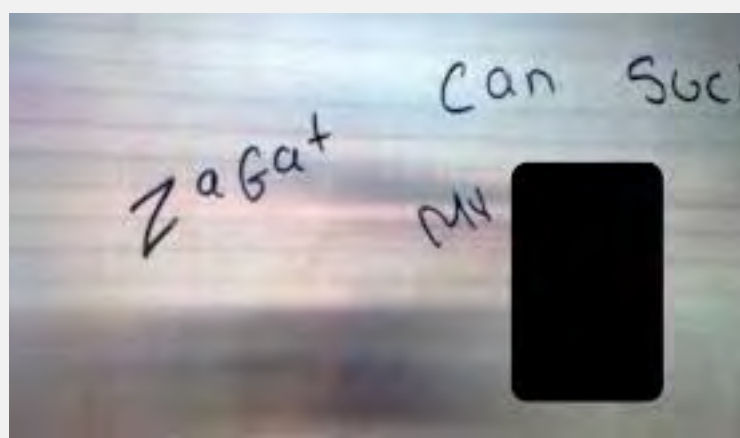

- Flexibility:** Google offers a flexible work environment with options for remote work and flexible hours.
- Learning & Development:** Google provides extensive learning and development opportunities, including courses, conferences, and mentorship programs.
- Health & Wellness:** Google offers a comprehensive health and wellness program, including gym memberships, health insurance, and wellness resources.
- Work-Life Balance:** Google promotes a healthy work-life balance with options for flexible work schedules and time off.
- Collaboration:** Google fosters a collaborative work environment where employees are encouraged to share ideas and work together.
- Transparency:** Google is known for its transparency in its operations and decision-making.

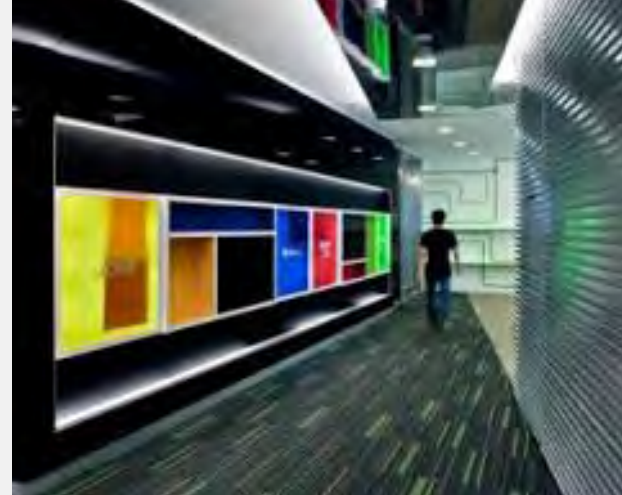

Employee Perks
