# OUR dream CLASS

## HEPPELL PROJECT

### GROUP 1:

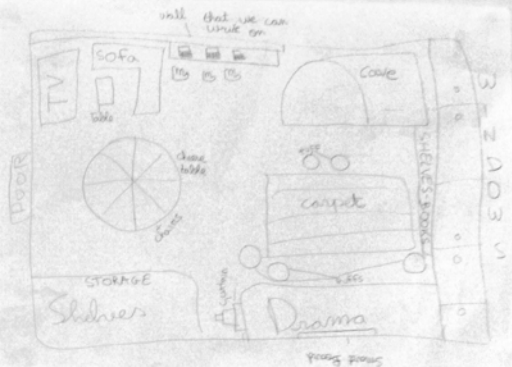

- Furniture (chairs/tables)
- Decorations
- Colours

PEOPLE: German, Alejandro, Mariana F, Gerard, Emma, Jana, Noa

### GROUP 2:

- Sound
- lights
- techno things

PEOPLE: Pop R., Fel G., Mariana, Carlos, Guille

## Furniture: chairs / tables

Why type?

Lighter design  
Dark table  
Clock chairs  
Tables like bed  
Tables with mirrors as a decoration  
Tables with shelves of things as decoration  
Tables like a table  
Tables like a table  
Tables like a table  
Tables like a table  
Tables like a table  
Tables like a table

## Lights:

→ mirrors  
→ what lights

We can put yellow colour and red  
gor have more lights.  
3 room gor have rooms  
3 room, 3 room and other room  
shelves

Colours attract things change their colours  
If we can have things in the floor

## Colours:

Gerard, Emma

on furniture?  
on walls?  
what colours? why?

- The tables in the library of decoration and the chairs dark blue
- The walls of the library are a green on paper and the other paper
- The chairs of chairs, of different colors, the walls
- The presentation can make the walls of a presentation, color walls
- Based on the part in the space of presentation
- The chairs can be in the room
- The chairs can be white or transparent
- The chairs, the same the chairs like a table and dark brown on the right table see mirror

Don't the chairs like the sofa because the color of the wall is a blue  
the light of the chairs can change to all the colours  
the chairs are...  
The chairs are can be the glass like the chairs

## SOUND ; problems: too loud

How to solve it?

### IDEAS:

- Use the egg boxes in the ceiling
- Suspension with the chairs
- from the chairs
- from the chairs
- from the chairs

the with many shelves full of books reduce many sound.

## decorations:

- 1- plants? → with leaves → catch sound?
- 2- displays - how can we display our work? (except wall...)
- 3- boards? pictures
- 4- curtains? - reduce sound?

2° a house with the shape of a house or a fish, etc.  
angle round (fabrication - color)

- 2° a house with the shape of a house or a fish, etc.
- 3° We can put boards in the walls for paper or papers for paint we finish and the homework
- 4° Curtains on the windows and doors with light colors. In the wall of the door we can put the best homework that we had of old the furniture for show on the open doors stage.
